## Template for discussion report and analysis of the board of directors of the listed public shareholding company

Date	9th May 2024
Name of the Listed Company	Abu Dhabi National Insurance Company PJSC
The period of the financial statements covered by the report	First Quarter 2024
Overview of the main results during the financial period	ADNIC has demonstrated a strong underwriting performance, evidenced by a combined ratio of 90% and net insurance service results totaling AED 103.2 million. Furthermore, we have achieved a record Gross Written Premium (GWP) of AED 3,031 million, representing a substantial growth of 49.9% compared to the same period last year.  Strategic asset allocation adjustments implemented in the previous year delivered positive results. Net income from investments for the first three months of 2024 increased by 17.4% to AED 54.4 million. This growth was driven by higher interest and coupon income, along with mark-to-market gains.  ADNIC continues to focus on controlling general expenses. The growth in overall expenses was meaningfully lower than premium growth, despite ongoing investments. This commitment to efficiency is reflected in our expense ratio of 12.3%
Securities issued during the financial period	None
Summary of the most important non-financial events and developments during the financial period	Beyond financial metrics, ADNIC continues to execute on its strategic growth objectives. Following the close of the first quarter, completed a strategic acquisition, taking a majority stake in Allianz Saudi Arabia Cooperative Insurance Company. This move strengthens ADNIC's position as a leading regional insurer and reinforces the commitment to providing exceptional customer service and innovative insurance products across the GCC. This acquisition will allow to deliver industry-leading solutions across all major insurance lines.  Furthermore, sustainability remains a core pillar of ADNIC's strategy. Actively engaged in projects and initiatives that benefit both customers and the communities being served.
Summary of operational performance during the financial period	ADNIC has demonstrated a strong underwriting performance, reflected in net insurance service results of AED 103.2 million.
