Review report of the independent auditor To the shareholders of Dubai National Insurance & Reinsurance (P.S.C.)

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Dubai National Insurance & Reinsurance (P.S.C.) (the "Company") as of 30 September 2018 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the nine month period then ended. Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard 34 "Interim Financial Reporting".

1 Legal status and activities

Dubai National Insurance & Reinsurance (P.S.C.) (the "Company") is a public shareholding company incorporated in Dubai on 6 January 1992 with an overseas branch in Beirut, Lebanon.

The Company is engaged in insurance and reinsurance of all classes of business in accordance with the provisions of the UAE Federal Law No. 6 of 2007 on Establishment of the Insurance Authority and Organisation of the Insurance Operations relating to insurance companies and insurance agents.

The registered address of the Company is Dubai National Insurance Building, Floor 7 & 9, Port Saeed, P.O. Box 1806, Dubai, UAE.

The overseas branch in Beirut is in the process of being wound up. Its license as required by local regulations has been terminated and it will shut down once it meets all its obligations, as published in the official gazette in April 2004. The branch has no operations and the total expenses and assets of the branch are not material to these condensed interim financial statements. Hence, these condensed interim financial statements do not separately disclose the expenses, assets, liabilities and cash flows for the discontinued operations of the branch.

2 General information and basis of preparation

These condensed interim financial statements are for the nine months period ended 30 September 2018 and are presented in United Arab Emirate Dirham (AED), which is the functional currency of the Company. These condensed interim financial statements have been prepared in accordance with IAS 34 'Interim Financial Reporting' and do not include all of the information required in annual financial statements in accordance with IFRS and should be read in conjunction with the financial statements of the Company for the year ended 31 December 2017. Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2018.

3 Significant accounting policies

These condensed interim financial statements have been prepared in accordance with the accounting policies adopted in the Company's most recent annual financial statements for the year ended 31 December 2017. Certain amendments to accounting standards and annual improvements, as disclosed in the Company's most recent annual financial statements for the year ended 31 December 2017, are applicable on the Company but do not have any material impact on these condensed interim financial statements.

Critical accounting estimates and judgments in applying accounting policies

The Company makes estimates and assumption that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may substantially be different.

Outstanding claims and technical provisions

The estimation of the ultimate liability (both technical and outstanding) arising from claims made under insurance contracts is the Company's most critical accounting estimate. These estimates are continually reviewed and updated, and adjustments resulting from this review are reflected in the income statement. The process relies upon the basic assumption that past experience, adjusted for the effect of current developments and likely trends (including actuarial calculation), is an appropriate basis for predicting future events.

3 Significant accounting policies (continued)

Critical accounting estimates and judgments in applying accounting policies (continued)

Classification of investment property

The Company makes judgement to determine whether a property qualifies as investment property and follows the guidance of IAS 40 'Investment Property' to consider whether any owner occupied property is not significant and is classified accordingly as investment property.

Provision for doubtful debts

Management reviews the provision for doubtful debts at each reporting date by assessing the recoverability of insurance receivables. For non-insurance receivables the recoverability is assessed and provisions are created in compliance with simplified approach under the IFRS 9 methodology.

Fair value of unquoted securities

Fair value of unquoted securities has been determined by the management based on Earnings Multiple and Net Assets Value Techniques using observable market data of comparable public entities, certain discount factors and unobservable financial data of these non-public investees. Actual results may substantially be different. Further information on using the estimates is mentioned in note 6.

6 Financial assets at fair value through other comprehensive income

Financial assets measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. This grouping is determined based on the lowest level of significant inputs used in fair value measurement, as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets;
- Level 2 inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Investment in unquoted securities*	(p)			82,833	82,833
		304,720		82,833	387,553

- (a) Fair values have been determined by reference to their quoted prices at the reporting date.
- (b) The Company holds investments in unquoted securities of three entities as at 30 September 2018 (31 December 2017: three entities). These investments are fair valued based on Earnings Multiple and Net Asset Value Techniques using observable market data of comparable public entities, certain discount factors and unobservable financial data of these non-public investees. Unobservable financial data used in determining the fair values of these unquoted securities has been extracted from their latest available audited financial statements for the year ended 31 December 2017 (31 December 2017: financial statements for the year ended 31 December 2016).

Management believes the fair values of these unquoted investments would not be significantly different if the financial data of these non-public investees as at 30 September 2018 could be used based on its availability. All the unquoted securities fall under level 3 of fair value hierarchy therefore use of estimate is significant.

^{*}The title of the unquoted securities is held by related parties for the beneficial interest of the Company.
