

e7 Group Confirms Business Continuity Amid Regional Developments

Abu Dhabi, United Arab Emirates, 5th March 2026

e7 Group confirms that its operations continue on a business-as-usual basis across all business units. Our facilities remain fully operational, with no disruption to production schedules, supply chains, or client services as a result of the current geopolitical situation. The Group remains financially sound, supported by a strong balance sheet and disciplined financial management.

The safety and wellbeing of our employees and the security of our assets remain our highest priority. We have well-established business continuity and risk management frameworks in place and stand ready to implement additional precautionary measures where necessary. We maintain ongoing communication with our key clients and partners to ensure alignment and continuity of service throughout this period.

We continue to monitor regional developments closely and will take any further steps required to safeguard our people, protect our assets, and uphold uninterrupted operations. The market will be informed of any material developments in accordance with applicable regulatory requirements.
