The management of the Bank is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of preparation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim condensed consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of preparation set out in Note 2.

Report on other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of account of the Bank. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, its executive regulations, as amended, or of the Bank's Articles of Association and Memorandum of Incorporation during the six-month period ended 30 June 2020 that might have had a material effect on the business of the Bank or on its financial position.

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, during the six-month period ended 30 June 2020 that might have had a material effect on the business of the Bank or on its financial position.
