

RPM, ICATT RESPONSE PLUS, Prometheus Help Repatriate European Citizens From The UAE

ABU DHABI, March 9, 2026: In a step that reinforces its strong commitment to humanitarian causes, UAE-headquartered [Response Plus Holding PJSC](#) (ADX: RPM) and its subsidiaries **ICATT RESPONSE PLUS** and **Prometheus Medical International** have completed the repatriation of European citizens from the UAE amidst the current global airline disruption.

The coordinated operation focused particularly on assisting vulnerable passengers, including Italian citizens, an elderly UK national, families with young children and individuals requiring additional medical oversight back to their countries. The flight was supported by specialist planning and operational teams to ensure passengers could travel safely back to Europe.

The mission highlighted the growing importance of integrated repatriation and travel risk management services for travellers during periods of aviation disruption. RPM worked closely with ICATT RESPONSE PLUS and Prometheus and its airline partners to rapidly mobilize the passenger transit procedures.

HE Lorenzo Fanara, Italian Ambassador to the UAE, thanked RPM and ICATT RESPONSE PLUS for their support, adding: "I am very grateful to ICATT RESPONSE PLUS and RPM for their excellent organization of today's flight from Sharjah to Bergamo which will allow many Italian stranded tourists to return home. Many thanks also for his generous support to **Dr Shamsheer Vayalil**, Founder and Board Member of RPM and Chairman of Burjeel Holdings."

The mission also showcases the capabilities of RPM's international medical evacuation and aeromedical services, which provide rapid-response clinical support for governments, corporations, insurers, and travellers worldwide.

Omran Al Khoori, Chairman of Response Plus Holding PJSC, said: "At RPM and our group companies, we are committed to supporting such missions with rapid response. By uniting our expertise and innovation, we ensure that the highest standards of critical care take flight, even under the most challenging operational parameters. We thank the Italian Embassy and the passengers for their trust on us."

Dr Rohil Raghavan, CEO of Response Plus Holding PJSC, said: "This operation demonstrates the importance of responding quickly and supporting the humanity amidst international travel disruptions. Our team at RPM, ICATT RESPONSE PLUS and Prometheus are proud to have helped vulnerable travellers return home safely during such trying times – ensuring a secure bridge across the closing skies."
