Review report of the Independent Auditor To the Shareholders of Dubai National Insurance & Reinsurance Co. (P.S.C.)

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Dubai National Insurance & Reinsurance Co. (P.S.C.) (the "Company") as at 31 March 2022 and the related condensed interim income statement, condensed interim statement of comprehensive income for the three-month periods then ended, condensed interim statement of changes in equity, condensed interim statement of cash flows for the three-month period then ended and other related explanatory notes. Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard 34 "Interim Financial Reporting".

1 Legal status and activities

Dubai National Insurance & Reinsurance Co. (P.S.C.) (the "Company") is a public shareholding company incorporated in Dubai on 6 January 1992.

The Company is engaged in insurance and reinsurance of all classes of business in accordance with the provisions of the UAE Federal Law No. 6 of 2007 on Establishment of Financial Regulations of Insurance Companies issued by the Central Bank of United Arab Emirates (formerly, the UAE Insurance Authority) and Organisation of the Insurance Operations relating to insurance companies and insurance agents.

The registered address of the Company is Dubai National Insurance Building, Floor 7 & 9, Port Saeed, P.O. Box 1806, Dubai, UAE.

The Federal Decree-Law No. 26 of 2020 on the amendment of certain provisions of Federal Law No. 2 of 2015 on Commercial Companies was issued on 27 September 2020 and effective starting from 2 January 2021. The Company shall apply and adjust their status in accordance with the provisions thereof by no later than one year from the date on which this Decree-Law takes effect.

The Federal Decree-Law No. 24 of 2020 which amends certain provisions of the U.A.E Federal Law No. 6 of 2007 on Establishment of Insurance Authority and Organisation of its Operations was issued on 27 September 2020 and the amendments came into effect on 2 January 2021. Effective 2 January 2021, the Insurance Sector became under the supervision and authority of the CBUAE.

Federal Law by Decree No. 32 of 2021 on Commercial Companies (the "New Companies Law") was issued on 20 September 2021 with an effective date of 2 January 2022, and will entirely replace Federal Law No. 2 of 2015 (as amended) on Commercial Companies, as amended. The Company has twelve months from the effective date to comply with the provisions of the New Companies Law.

2 Basis of preparation

The condensed interim financial statements are for the three-month period ended 31 March 2022 and are presented in United Arab Emirate Dirham (AED), which is also the functional currency of the Company. These condensed interim financial statements have been prepared in accordance with IAS 34 'Interim Financial Reporting' and do not include all of the information required in annual financial statements in accordance with IFRS and should be read in conjunction with the financial statements of the Company for the year ended 31 December 2021. Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022.

3 Significant accounting policies

The accounting policies, critical accounting judgments and key source of estimation used in the preparation of these condensed interim financial statements are consistent with those used in the audited financial statements for the year ended 31 December 2021, except for application of new standards effective as of 1 January 2022 as several amendments and interpretations apply for the first time in 2022. However, these amendments and interpretations do not have material impact on the condensed interim financial statements of the Company.

The Company has not early adopted any standard, interpretation or amendment that has been issued but not yet effective.

Critical accounting estimates and judgments in applying accounting policies

The Company makes estimates and assumption that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may substantially be different.

Notes to the condensed interim financial statements For the period ended 31 March 2022

3 Significant accounting policies (continued)

Critical accounting estimates and judgments in applying accounting policies (continued)

Outstanding claims and technical provisions

The estimation of the ultimate liability (both technical and outstanding) arising from claims made under insurance contracts is the Company's most critical accounting estimate. These estimates are continually reviewed and updated, and adjustments resulting from this review are reflected in the income statement. The process relies upon the basic assumption that past experience, adjusted for the effect of current developments and likely trends (including actuarial calculations), is an appropriate basis for predicting future events.

Allowances for doubtful debts

Allowances for doubtful debts are determined using a combination of factors to ensure that insurance receivables are not overstated due to uncollectibility. The allowance for doubtful debts for all customers is based on a variety of factors, including the overall quality and ageing of receivables, continuing credit evaluation of the customer's financial conditions and collateral requirements from customers in certain circumstances. In addition, specific allowances for individual accounts are recorded when the Entity becomes aware of the customer's inability to meet its financial obligations.

Fair value of unquoted securities

Fair value of unquoted securities has been determined by the Entity based on Earnings Multiples Technique using observable market data of comparable public entities, certain discount factors and unobservable financial data of these non-public investees. Actual results may substantially be different. Further information on using the estimates is mentioned in note 6 to the condensed interim financial information.

Impairment of financial assets

The Company recognises loss allowances for expected credit losses (ECL) on the following financial instruments that are not measured at FVTPL:

- financial assets that are debt instruments;
- financial guarantee contracts issued; and
- loan commitments issued.

The Company has not recognised any impairment loss against equity instruments.

The Company measures loss allowances at an amount equal to lifetime ECL, except for those financial instruments on which credit risk has not increased significantly since their initial recognition, in which case 12-month ECL are measured. 12-month ECL are the portion of ECL that result from default events on a financial instrument that are possible within the 12 months after reporting date.

On 31 December 2021, two independent and experienced professional valuers estimated the fair value of the investment property at AED 140.5 million and AED 141 million. The valuers hold relevant professional qualifications and experience. Management estimates that there has been no change in the fair value of investment properties during the three-month period ended 31 March 2022.

6 Financial assets

Financial assets measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. This grouping is determined based on the lowest level of significant inputs used in fair value measurement, as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets;
- Level 2 inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs).

^{*} The title of unquoted security and a quoted security is held by related parties for the beneficial interest of the Company.

- (a) Fair values have been determined by reference to their quoted prices at the reporting date.
- (b) The Company holds investment in unquoted security of one entity as at 31 March 2022 (31 December 2021: one entity). This investment is fair valued by an independent valuer based on Earnings Multiple value techniques using observable market data of comparable public entities, certain discount factors and unobservable financial data of these non-public investees.

Notes to the condensed interim financial statements For the period ended 31 March 2022

6 Financial assets (continued)

Unobservable financial data used in determining the fair value of this unquoted security has been extracted from its latest available audited financial statements for the year ended 31 December 2020 (31 December 2021: financial statements for the year ended 31 December 2020).

Management believes the fair values of these unquoted investment would not be significantly different if the financial data of these non-public investees as at 31 March 2022 could be used based on its availability. The unquoted security fall under level 3 of fair value hierarchy, therefore use of estimate is significant.
